**APPLICANT INTERVIEW SUMMARY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

This paper is in response to the Interview Summary included with a paper entitled "Supplemental Notice of Allowability" mailed from the U.S. Patent Office on March 14, 2007.

The summary of the Examiner Interview, which discusses the telephonic interview with the Examiner Bashore and Applicant's Representative, Ann McCrackin, on March 6, 2007 regarding the present application, is correct. However, Paralegal Anne Richards spoke with and exchanged voice mails with Examiner Bashore between March 21, 2007 and March 23, 2007 regarding the Supplemental Notice of Allowability. The issue of the conversation and voice mails was with regard to there being no Notice of Allowability being mailed prior to the Supplemental Notice of Allowability. Applicant does not have sufficient information from the U.S. Patent Office to pay an issue fee or take other action at this time. Examiner Bashore informed Ms. Richards that he was working to resolve this issue. Applicant does not believe any fees are payable at this time as the Notice of Allowance has not been received. However, if such fees to move this application toward issuance are due, Applicant Authorizes such fees to be deducted from Deposit Account 19-0743.
